

Dear Coaches,

It is now less than a month away from the Level 8, 9. &10 State Championships. We are anticipating a great weekend of gymnastics and would like to communicate some very import information. We are also putting this info at www.pikespeakcup.com. This information should be up by Friday March 7. Please pass this information on to your parents.

I am including a roster for what gymnasts I show qualified from your club **so far**. If I am missing athletes who have qualified please let me know. Please check spelling, USAG #'s and birth dates for the ones in this mailing. Except for level 8, age groups are on default.

Seniors If you have graduating seniors make sure we have their information. We do not want to leave anyone out.

T-Shirts We are only doing pre-order for t-shirts. We will not be selling any shirts at the competition site. The t-shirt order forms will be on the web site by Friday March 7.

Photo ID We are doing phot ID's for coaches and gymnasts for the weekend. You will be able to get into the session you are competing in, but in order to come to other sessions you must have this ID. If you are able to send me a passport style photo we can have them ready at the beginning of the weekend. If not you can do it on site.

Coaches party and early check in We are hosting a coaches party at the Hampton Inn & Suites on Friday March 28 at 7:00pm. Please RSVP to garygonzalez@hotmail.com . We will also have T-shirt Pick up and ID pick up (as well you will be able to have the photo ID taken) from 6:00pm – 10:00pm. The Residence Inn is right next door to the Hampton and they are the closest to the competition site.

Additional Information.
